Short Description

Relief for dry and irritated eyes.

Description

Genteal Eye drops and Genteal Eye gel are used to provide relief from dry and irritated eyes.

- Genteal Eye drops contain Hypromellose as an active ingredient.
- Genteal Eye gel contains Hypromellose and Carbomer 980.
- Both Hypromellose and Carbomer 980 are lubricants that soothe dry and irritated eyes.

Always read and follow the manufacturer's instructions.
