Short Description

Use for cleaning, rinsing, disinfecting and storing your soft contact lenses.

Description

Renu Fresh Multi-Purpose Solution provides a cushion of comfort for your contact lens wear. Use for cleaning, rinsing, disinfecting and storing your soft contact lenses. When used daily, it removes protein build-up. Experience the feeling of wearing a fresh pair of lenses every day.

- Gently cleans, rinses, disinfects, and stores your soft contact lenses.
- Contains Dymed, Poloxamine and Hydranate for clean, comfortable lenses.
- Cartons and bottles are 100% recyclable

Always read manufacturers directions.
