Short Description

For dry eye relief

Description

Xailin Fresh, containing Carmellose Sodium 0.5% are single dose vials, 30 in a box, that are ideal for patients with intermittent or persistent dry eye.

Xailin Fresh is a preservative-free long-lasting lubricant that soothes and relieves moderate to severe dry eye sensations. It may also be used as a contact lens hydrating solution.

Xailin Fresh comes in the form of sterile single-dose 0.4ml units (eye drops) typically in a pack of 30.
